

THE TOMORROW FUND'S GIVING TREE PROGRAM

The Tomorrow Fund's Giving Tree Program partners with local childcare centers to provide warm clothes & gifts for kids in low-income families during the holiday season. In the past thirteen years, this program has supported over 995 families amounting to \$99,500 of assistance to Middle Tennessee families.

To sponsor a Giving Tree child:

1. Sign up by emailing givingtree@thetomorrowfund.org by November 24th.
2. Go shopping! Please spend around \$100 total on gifts. Try to buy the items that are truly needed first, such as clothes, winter coats or pajamas. We will need to provide the children's caregivers with gift wrapping materials - so we're asking participants to spend an additional \$10 on gift bags and wrapping paper for your gifts.
3. Place UNWRAPPED gifts and wrapping supplies in a bag or box with the child's wishlist securely attached.
4. Drop off instructions will be emailed in mid-November. Due to changing pandemic policies, these may change. Gift drop off is expected to occur December 1st - December 7th at a partnering location in Green Hills.

For more information or to sign up, email
givingtree@thetomorrowfund.org.
